Dear Sheryl:

I recently read in the Your Hub section of The Denver Post about you and your organization's efforts to bring joy to the special needs children in our community. I would like to commend you for this truly wonderful undertaking! It is really a special thing to know that your efforts directly result in happiness and confidence building for these children. I was thrilled to read that after seeing a TV program years ago you were so inspired to help that you volunteered as Program Coordinator for this effort. Therapeutic horse-riding is a unique and wonderful way to improve the lives' of our kids in special need. I admire your dedicated and generous spirit, which is a vital and vibrant part of what makes our community great.

Please accept my appreciation of your kind and wonderful work. Colorado's greatest resource is its people.

Sincerely,
