# HOOF PRINTS

THE RIGHT  
STEP

Happy Holidays from all of us here at The Right Step, Inc.

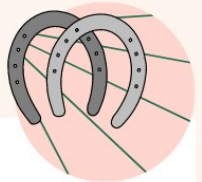

"The most rewarding things in life are experiences that transform us." I don't know who the author of this statement is, but it certainly describes my experience volunteering with The Right Step. Three years ago, I decided to volunteer as a side-walker when I retired. I had been on trail rides before, but that was the extent of my experience with horses. In the past three years, I have learned how to feed horses, muck stalls, turn horses outside to paddocks, pick hooves, groom, put the tack on a horse, become a horse leader, and start taking my own riding lessons. Our clients inspire me every time I work with them...striving, struggling, achieving, and experiencing the pure joy of horses. Volunteering with The Right Step has brought all of this into my life and has truly transformed me. - Julie Bever

**"Horse Race to Funding" continues until the end of the year. There's still time to encourage family and friends to donate! We want all of our horses to win!**

I am so thrilled to be welcomed into The Right Step family! Growing up in Colorado I had the opportunity to ride horses at a very early age. Somewhere along the way I no longer made the time to ride. One day I was browsing online, and The Right Step popped up. My life was changed forever. Since then, I have devoted as much time as possible to volunteering, mentoring others, riding, and sharing my love of horses with anyone that will listen. I spent my years out of the saddle caring for and teaching young children as well as mentoring adults to teach and provide quality care to children. I am delighted to be able to teach others about horses as well as build confidence and independence in all our participants. Watching someone develop their own best ability while working with our horses warms my heart. The Right Step IS my happy place. - Debbie DeMaio

**THANK YOU FOR SUPPORTING US.  
OUR CO. GIVES DAY TOTAL WAS \$20,682.04.

WARM GREETINGS

**What a wonderful year it has been! With all of your help, we were able to do 1764 lessons. I am so very thankful for each one of you! From helping with lessons to making sure all our horses are well taken care of, we can't do it without your hard work and dedication to The Right Step. I can't wait to see you all in the new year!**
